To the Office:

The applicants are in receipt of the official communication mailed by the United States Patent and Trademark Office on October 21, 2011 in the form of a final office action (the Office Action). The Office set a shortened statutory period for filing a reply to the Office Action of 3 months from the above-listed mailing date, or January 21, 2011. This response is being filed on or before April 21, 2011 and as such, the applicant hereby request a three (3) month extension of time under 37 CFR 1.136(a) to respond to the Office action and submits therewith the required fees. In addition, the applicant submits the payment for a request for continued examination and additional claim fees. No other fees are believed due at this time; however, if the Office determines that any additional fees are due in this case and/or the Office has problems charging against the authorized credit card, the Office is hereby authorized to charge such fees against the following deposit account 50-3479.

The Office's consideration of this response is greatly appreciated.
